THIS WEEK...

We learned about scarecrows. We learned how to retell the story, The Little Old Lady Who Wasn't Afraid of Anything. In social studies, we learned about the Pilgrims and Native Americans and the first Thanksgiving. In math we learned about shapes and began to learn about pattern blocks. In health, we learned about making healthy choices for snacks. We practiced our handwriting.

NEXT WEEK...

We will be continuing our Thanksgiving theme. We will make a book about the Pilgrims and Native Americans. We will review our letters, sounds and sight words learned so far. We will continue to work on counting and writing numbers in Math. Next week is conferences...and remember no school on Friday for our class.

Thanksgiving Break

THANK YOU!

Our Halloween Party was a blast. Thank you so much to all of you who donated treats for our party. The kids had tons and even some to take home! We had a great time dressing up and seeing all the great costumes. Thanks, also, to those who came to the classroom and helped out with passing out treats and cleaning up!

THANKSGIVING FEAST—DATE CHANGE

Please make a note that we decided to have our Feast on **Tuesday, November 25** instead of the date I told you last week...Nov. 19. We like to have the Headstart class join us, and we found out they will not be in school that week. So Nov. 25th it is. Please mark your calendars—it will be at the same time.

CAMPBELL'S SOUP LABEL CONTEST

This month, our school is having a contest to see which classroom can bring in the most Campbell's Soup Labels. Please save and bring them in before the end of the month.

NEW! Halloween Pictures will be uploaded to our website this weekend. Check it out!
